Robe announces Entertainment Equipment Supplies S.L. (EES) as its new exclusive distributor in Spain.

The company is a well-known and highly respected importer and distributor of premium professional lighting products and accessories, with offices in Madrid and Astigarraga. Nacho Acha-Orbea, EES' CEO says, "We have already had a great reaction from our clients to taking on Robe – even in this short time! The phone has been constantly busy with inquiries which is definitely a good indicator!"

EES already has a demo stock including – from the ROBIN series – the Actor 6, LEDBeam 100s, MMX Spots and WashBeams, 600E Spots, DLX Spots, DLS Profiles, DLF Washes, , ROBIN 300, 600, 800 and 1200 LEDWashes ... plus the brand new ROBIN Pointe, CycFX and MiniMe fixtures.

They also have CitySource 96 and LEDForce 18s from the LED Series.

More dates in a series of nationwide Robe Roadshows have been announced following the success of three initial events in Santiago de Compostela, Madrid and San Sebastián.

Upcoming confirmed Roadshows are in Barcelona (May, 7th and 8th), Alicante (May, 15th), Valencia (May, 17th), Sevilla (May, 28th) and Granada (May, 30th).

More dates are upcoming to cover the Balearic Islands (Mallorca and Ibiza) and the Canary Islands (Las Palmas and Tenerife) after the European summer.

Nacho added: "Robe is a perfect fit for us. We are both dynamic and progressive-thinking companies which are a great compliment to one other and fully focused on offering clients the very best products and services".
